LEADERSHIP ACTIVITIES

Thanks to all of the staff and students for making the Halloween Spirit Week a success!

Thanks to the Leadership Team on running the successful Booster Juice campaign. All money raised is going to help run school spirit activities.

SCI SUPPLIES OPENS UP November 13th.

Welcome to SCI!!

We have had a very busy start to the year helping 440 students settle into SCI!

We hope that, from your viewpoint, things are running smoothly but we do understand that students don't always let their parents in on 'what's up at school'!

Students reviewed the student/parent handbook on the first day of school. This handbook is meant to answer some of your questions and hopefully give you some insight into life at SCI. If you have not had a chance to see the handbook, you can find it on our website (www.isd21.mb.ca/sci).

If you have questions that are specific to your son/daughter's coursework, you are best to start by contacting that particular teacher.

If you have more general questions about school or just need to talk to someone, please do not hesitate to call us at

204-467-5539.

DID YOU KNOW?

* If you need to pick up a student at the end of the day...you should not come into the parking lot! This will delay your departure by about 15 minutes as you must wait for all of the buses to depart first.

* SCI has a canteen that serves breakfast and lunch items every day.

* Announcements are read each morning in first period. This is where you will hear about try-outs for teams, meetings for travel group, rehearsals for the musical and all the other cool things that are going on at SCI! Daily announcements can also be found on our website www.isd21.mb.ca/sci or on the PowerSchool Parent Portal.

SCI PARENT INFORMATION GROUP (P.I.G.)...

We are not another fundraising group—we all know there are enough of those!

We are a dedicated group of parents who want to stay up-to-date with all of the events and programs going on at SCI.

We need interested community members who have students attending SCI. Come out to one of our meetings and join us!

Next Meeting is Tuesday, November 28th at 7:00 p.m.
