Eric Walters Visit:

Our grade 6 and 7 classes are looking forward to a visit from the author Eric Walters on the afternoon of November 27th. Mr. Walters is a Canadian writer who began writing in 1993 and has currently published 95 novels and picture books with an additional 9 on the way. His books have always been very popular in our library and teachers have been promoting them in the classroom as well so our students are sure to get the full benefit of having Mr. Walters in our school. We are very fortunate and excited to have the opportunity to interact with a favorite author.

Show and Save Fundraiser:

We have wrapped up our Show and Save Coupon Book Fundraiser for this school year. With the support of our great students and families, we did manage to sell about 900 books!! The monies raised from this endeavor will be used to support new programs and further enhance existing ones! There are a few coupon books left if anyone wishes to purchase additional copies. We are very grateful and appreciative of your support!
