## ELIGIBILITY FOR SCHOOL BUS TRANSPORTATION:

Your child(ren) may be eligible for school bus transportation to and from school! Students who reside within the limits of the Town of Stonewall and who live more than 1 mile (1.6 km's) from the school they are attending may be eligible for transportation to and from school. Transportation eligibility to École R.W. Bobby Bend School and École Stonewall Centennial School will be evaluated individually based on the distance to each school.

There may be situations where your child is eligible for transportation to École R.W. Bobby Bend School, but in following years, they would not be eligible to receive transportation services to École Stonewall Centennial School as they no longer meet the distance criteria.

The opposite of this situation could occur where your child was not eligible for transportation to École R.W. Bobby Bend School, but in following years, would be eligible for transportation to École Stonewall Centennial School.

Please refer to the school website ([www.isd21.mb.ca/centennial](http://www.isd21.mb.ca/centennial)) to view a map that provides the boundary areas that have been approved by the ISD Trustees for eligible school bus transportation.

If the student qualifies for transportation, forms can be found at [www.isd21.mb.ca](http://www.isd21.mb.ca) on the home page under the New Student Transportation Request Forms. Once completed please email to [mbest@isd21.mb.ca](mailto:mbest@isd21.mb.ca) If the student does not meet the criteria for transportation you may still request bussing by submitting the New Student Transportation Request Form as above. Any additional seats will be filled on a first come, first serve basis, please refer to policy reference D-10(R2-F1) for clarification, also available on the ISD web site.

If you have questions regarding eligibility or procedure please call the Meechelle at the IS. Transportation Department (204) 467-8730.
