

**ÉCOLE R.W. BOBBY BEND SCHOOL**  
**SAFE SNACK LIST**

(revised for November 2016)

Dear Parents/Guardians,

As we are an **Allergy Aware** school, the information below will help you to identify safe snacks for your child (ren) to bring to school. It contains several great alternatives to peanut/nut products. Given the life-threatening consequences for those students with this medical condition, we appreciate you taking the time to read and follow this list.

**\*Please remember this is only a guide for safe snack-type food\***

Foods such as bread, bagels, sandwich meats, milk, cheese, cheese strings, cottage cheese, yogurt, fresh fruits, fresh vegetables, juice, yogurt tubes, pudding, raisins and dried fruit are all excellent choices for school lunches and snacks. Please ensure that the ingredient list **does not** contain “*may contain traces of peanuts/nuts/tree nuts*”, or “*made in a facility that processes peanuts/nuts/tree nuts*” as those foods are not school safe. You can enjoy them at home.

- Please look for this “Peanut Free” symbol when purchasing snacks.
- Please do not send food purchased from bulk bins to school. Scoops often get moved from bin to bin making it impossible to ensure there has not been cross contamination with peanuts/nuts. As well, avoid bulk bags of food that do not have ingredient labeling.
- Please do not send baked goods purchased from bakeries, grocery store bakeries or donut shops (i.e *Tim Hortons*) where the food has been sitting with other foods under the same glass display or where peanut products are produced. There is a risk that these items have been cross contaminated with peanuts/nuts. The product may have been made on the same counter as nut products, or with the same utensils, or the tongs used to pick up your purchase may have previously been used to pick up a peanut or nut product.
- When baking, please ensure all ingredients are verified (spices, chocolate chips, etc) as they sometimes contain trace amounts of peanuts/nuts and are labeled accordingly.
- The best “baked” snacks from the store are cookies, crackers, and cereals that are properly labeled and packaged.
