### Principal's Message—June 2018

June is now upon us. After a dry hot May, we have now had some cooler, wet weather; a welcome relief in full classrooms without air conditioning. Please check the calendar for end of the year activities. If you have any questions surrounding these events, please contact your child's teacher or the school office. Notifications of any activities not included on the calendar will be sent home via backpack mail and/or with a Synervoice call. On Thursday, May 24 we recognized our regular volunteers at our May assembly.. Once again THANKS for helping out at Stony Mountain School.

Our Grade 8 Graduation/Farewell evening is scheduled for Monday, June 25 beginning at 6:00 p.m. This is a day for family, friends, and teachers to say good-bye to our Grade 8s, most of whom have put in 9 years of schooling at Stony Mountain School and are eagerly awaiting high school! Celebrations of Learning will take place June 19, 20 and 21. We will celebrate the learning of K-4 on June 19 at 2:15 p.m. and our Grades 5-8 at 2:15 p.m. on June 20. We will hold a school-wide Kahoot on June 21 at 9:45 a.m. to see how much our students remember about everyone's learning.

Tabloid Day will take place June 27 at the school. More details will follow. The last day of classes for our Grade 7s will be June 26, Kindergartens June 27, and our Grades 1 -Grade 6s last day is June 28. Report cards will go home with each grade on their final days. Report cards can be picked up until Friday, June 29. Any reports not picked up will be emailed out.

As for staffing for 2018-2019, as most of you are aware, I will be taking on a new position next year being the chairperson of the Council of School Leaders of Manitoba for a 2-year term. This job will see me representing principals around the province at numerous committees, planning PD, and hosting 2 conferences a year. While I am excited for my new opportunity, I am going to miss my daily interactions with the students. I have enjoyed my last 5 years as Principal of Stony Mountain. Thank you for the opportunity to have worked with your children and thank you to supporting myself and the school.

Replacing me for next year will Mrs. D. Fenske. Mrs. Fenske previously taught in Stony Mountain and will coming back to be Principal after working as the Principal at Balmoral for a number of years. Mrs. C. Hengen will be returning in mid-March from her maternity leave and we are still in the midst of filling her position. Mrs. Swanson, a long serving EA at Stony Mountain will be retiring at the end of June. We wish her well with her new adventures. Several other EAs will be shifting positions within the Division. We will update our support staff list once finalized.

There will be one last newsletter at the end of June. In that newsletter, you will find a list of teaching assignments. Class lists will be posted on the front doors of the school Wednesday, August 29 by 4:00.
