

Teulon Elementary School Annual Community Report 2013-2014

Breakfast Program

- Breakfast was provided every morning at 8:30 from October until June
- Cereal and juice or Toast and juice were offered as well as fruit
- Everyone was welcome and on average we served 20 – 25 children daily
- Donations of juice and cereal were greatly appreciated

Twin School Relationship

- Teulon Elementary is building a relationship with Escuela Michoacan school in Putumayo region of Columbia
- Our students handcrafted homemade bookmarks and provided backpacks, gloves and school supplies for the Columbian school
- Gratitude for supplies and friendship opportunities have been received from the impoverished school
- Our goal is to give them some tools to help provide an opportunity to go to school, as well as create a connection to Teulon Elementary
- Students making a connection across geography, language and culture

Global Literacy Connection

- Through a “My Voice” initiative 6K students wrote books for Kathy Knowles library in Ghana, Africa.
- These early literacy books on “Winter in Manitoba” will be placed in one of Kathy’s libraries in Accra , Ghana.
- Teulon Elementary hopes to maintain a sustainable partnership that continues to develop literacy awareness as well as share our culture on a global level.
- This spring, TES students and their teachers were invited to share their literacy project at Kathy Knowle’s fundraiser in Winnipeg, her home town. Her funds go towards building more libraries in Ghana. From a modest library under a tree in her backyard in Africa, to 6 librairies and over 200 other literacy initiatives , her love of reading and helping others has flourished.
- Teulon Elementary is proud to play a part in this Global Literacy Connection.
