Dear Parent(s)/Guardian(s),

In an effort to increase communication from the school, TES will be sending out text messages to parent's mobile phones. These text messages will be focused on school-wide events, and will be aimed at reminding people of important upcoming events and the details surrounding them. We will do our best to ensure we do not overwhelm families with numerous text messages on a variety of topics. The messages will be sent for what we feel are important reminders surrounding notable events. These messages are "one way" so you will not be able to reply to them. This service is provided free of charge, however standard data/messaging rates may apply.

For example:

Reminder – No school
Monday Nov.23

Fun lunch orders due
tomorrow

The process for subscribing to this messaging service is as follows:

1. If you want to receive messages from the school, text the word "Join" to the number 56360 from the SMS-capable phone you want to receive messages on.
2. If the subscribing phone number is in the system's address book a confirmation text will be sent.
3. If the subscribing number is not in the system's address book, a message will be sent that the request has not been processed. The user will then need to contact the school (jmoeller-johnston@isd21.mb.ca) to have the new number added to the system.

Any questions or concerns please contact the school.

Tim Lee
Principal
