Day 2

Announcements:

Hashbrowns for sale in canteen, and Chocolate Milk is on sale for \$1.00 today.

My bike shop crew is pretty industrious this year. We have a few children's and adult bicycles available for sale. We would charge around \$40 depending on the bike. The money will go back into the program to buy consumables like tubes, tires, bearings and grease. If you know anyone who would be interested in a second hand bike for themselves or their kids pass the word on. Also, we are almost out of bikes. School and community bike shops have taken off this year in Winnipeg and my normal source of bikes is no longer available. If you have bikes to donate that would be appreciated. Some of the students are very skilled so bring in your bikes for tune ups. We need the work!

Yearbook meeting today at lunch.
