Day 4

To the world you might be one person, but to one person you might be the world. ~ Author Unknown

Announcements:

There is a PAC meeting tonight at 7pm. Please consider coming out and participating. We currently only have 3 participating parents and unfortunately will not be able to continue with this number. We meet approximately 4 times a year for about an hour which is not a huge commitment. It's a vital way that you can get some insight and give some input into what is happening in your child's school. Without the PAC the school will not have access to certain grants that help provide things that benefit the kids. For example the bingo we were given (we didn't even have to work it) helped pay a portion of the new electronic sign. Mrs Perella always has interesting things to share with us and is always willing to listen to our comments or concerns. This will be the last meeting of the year so if it is something you are interested in for next year come on out to see what it's all about.

Thanks,
Warren Hipac

Our next up at bat is on Tuesday in Lundar.

Thank you to all volunteer students, EAs, and teachers who gave of their time to make 1000 dessert offerings. Special thanks to Mrs. C for co-managing the home Ec. Events.

Tomorrow there is a BBQ Fundraiser for Muscular Dystrophy in memory of Josh Desender. Please bring money for food, and if able money for donation. Looking forward to your support.

9. Let someone go in front of you in line who only has a few items.
10. Leave a gas gift card at a gas pump.
11. Throw a party to celebrate someone just for being who they are, which is awesome.
12. Encounter someone in customer service who is especially kind? Take an extra five minutes to tell their manager.
13. Leave a note on someone's car telling them how awesome they parked.
14. Try to make sure every person in a group conversation feels included.

23. Hold up positive signs for traffic or in a park for people exercising outside!

28. Leave a kind server the biggest tip you can afford.

31. Purchase extra dog or cat food and bring it to an animal shelter.
32. Find opportunities to give compliments. It costs nothing, takes no time, and could make someone's entire day. Don't just think it. Say it.

The junior varsity badminton team did something that hadn't been done in over ten years on winning the zone championship banner. All team members played well and scored a convincing win over rivals Teulon and Stonewall. The girls doubles teams swept the medals finishing first through third with Alex and Grace winning gold and Hannah and Payton capturing silver. Emilia and Maddie had the same fate in girls singles with Emilia finishing on top. Kyle and Jacee had an up and down day but saved their best for last earning silver medals for their efforts. Well done team.
