**Day 1**

**Announcements:**

Student Council is having Tim Horton's Day at the canteen on Thursday, September 28th. Coffee and donuts will be available. Prices to be announced.

The girls' soccer team played in Niverville this weekend. They came in 6th place, giving it their all! They played through injuries, asthma attacks, and even played short for awhile during their second game. Their coaches could not be more proud of them. Game Stars awarded at the tournament included Paige Kenny and Ariana Huff. The third game star was the entire team given the effort they put in. Next Wildcat soccer action is tomorrow in Gimli.

Congratulations to the JV girls Volleyball team for their outstanding performance this past weekend. The girls went undefeated throughout the round robin of the tournament. Coming up a few points short in a hard fought final, they lost to the host team 25-22 and 26-24. Tournament allstars were awarded to Kenzie Turner and Paige Wright. Great job girls! This week the team travels to Stonewall for an exhibition game on Tuesday.

There will be an Ethics Club Meeting for all that told Mrs. Campbell they were interested Tuesday at lunch.

MTC Club members: Please see Mrs. Campbell at some point on TUESDAY for a permission form.

There will be a scholarship/grad info meeting for all grade 12s and 11s on Thursday, October 5 at 6:30. Room TBA

Congratulations to everyone who showed their commitment to their school community by running for Student Council.

Student Council is having Tim Horton's Day at the canteen on Thursday, September 21<sup>st</sup>. Coffee and donuts will be available. Prices to be announced.

Please dismiss VS Girls' Volleyball players at 11:15 am.

There will be a Book Club meeting in Library Conference room at lunch today.

In WCI Wildcat soccer action last night the girls played a double header . Their first game was against Gimli where both coaches and the referee noticed a huge improvement between first and second halves. In their second game against Stonewall they held off the team for most of the first half before goals were scored. Next action for the girls' soccer team is this Saturday in Niverville.

This message is for the users of the girls' washroom next to the office. Mrs. Broadfoot is very disappointed, as I had bet a staff member that the hand lotion I had put in the washroom would be appreciated, but I was wrong! The hand lotion was placed on the mirror and therefore removed. My second disappointment comes in the number of paper towels I have to pick up off the floor rather than being in the garbage bin. Please have better aim!

Over 30 WCI students took part in the Interlake slo-pitch tournament yesterday in Teulon in support of KidSport. Over \$1300 was raised in support of the cause. All three teams represented themselves very well and led to a Warren Warren final. Jayden Allary's knuckle ball was too much to handle for last year's champions and the grade 12's narrowly nipped the grade 11's in a hard fought final. Thanks to all students who took part and conducted themselves in a respectful manner both on and off the field.

Up to thirty-two students will be chosen to attend the RCMP Academy, located in Regina Saskatchewan, from November 6-10, 2017. The selection of the students will be based on the academic achievement, community engagement and their interest in law enforcement. It is desirable for the students to possess a valid driver's licence.

There will be a variety of activities planned for the students to interact with police officers from various units of the RCMP. These interactions will provide them with a better understanding of what life is like for members of the RCMP. Activities will include visits to police training classes, drill classes, police driver's training classes, firearms range (observers), tours of Depot and the RCMP Heritage Centre and much more!
